## PARTICIPATION FEES:

The fees for Show Choir this year are:

- \$250 per Vocal member (\$150 per additional sibling)
- \$50 per combo/crew member

Choral Booster Membership is included in participation fee

This fee will cover the costumes, props, competition fees, music licensing, equipment or other associated items, scholarships, camps, spirit wear, and Senior Banners. This is a full year commitment, and if a student completes at least 2 seasons the student is eligible to apply for a one-half gym credit waiver.

Payment and/or payment plan arrangements must be received by October 22nd. Checks should be made out to "Mayfield Choral Boosters"; we now accept electronic payments via our website [www.mayfieldvocalmusic.org](http://www.mayfieldvocalmusic.org) with a small additional charge to cover electronic transaction fees.

If payment or arrangements have not been made by October 22nd, the student's costume will not be provided and his/her participation in performances will be disallowed until fees have been settled. If the student is a Senior, they will not be eligible for scholarships at the end of the year.

No one will be excluded because of financial hardship, if you have concerns, contact Mr. Fancher at [bfancher@mayfieldschools.org](mailto:bfancher@mayfieldschools.org) to make arrangements as soon as possible.

Costumes – participants will use the costume garments issued to them for the entire year for purposes of rehearsal and performance. The user will be responsible for maintaining the garments in a clean and neat manner—this includes washing, proper hanging, maintenance, and organization of garments. Costumes must be returned at the conclusion of the season.
