Costuming and other fundraising/volunteer requirements will apply as well.

Choral Booster Membership is included in participation fee

Payment and/or payment plan arrangements must be received by the first performance 10/14/21. Checks shall be made out to "Mayfield Choral Boosters"; we now **accept electronic payments** via our website www.mayfieldvocalmusic.org with a small additional charge to cover electronic transaction fees.

This fee will cover music licensing, member T-shirt, costumes, scholarship opportunities, Senior Banners, and more. This is a full year commitment, and if the student does at **least 2 seasons the student is eligible to apply for a one-half gym credit waiver.**

If payment or arrangements have not been made by the first performance, the student's costume & T-shirt will not be provided and his/her participation in performances will be disallowed until fees have been paid or a payment arrangement has been made.

No one will be excluded because of financial hardship, if you have concerns, contact Mr. Fancher at bfancher@mayfieldschools.org to make arrangements as soon as possible.

All new members are requested to purchase an LTD jacket (\$40) to be used all years while in the group. These are worn when attending competitions and festivals. Parents, grandparents, & siblings are encouraged to purchase one as well. This is a great way to show support for our group while traveling throughout the state!
