

Mayfield Music Department – Alternate Transportation Authorization

It is the responsibility of the school district to provide transportation to and from scheduled music events. In the case of a scheduling conflict that would prevent a student from riding the bus to or from an event, it may be necessary for them to secure their own transportation. This can only be done if a request has been submitted by a parent or guardian and delivered to the director(s) at least one day in advance of the event. If you are requesting this alternative, please complete and sign below.
